# Welcome

When it comes to insuring you and your bikes our approach is simple.

At Red Sands we strive for excellence in everything we do, and for this reason we distribute our products through specialist channels which employ cyclists as part of their management team and, where possible, use independent bike shops.

The result of this is a passionate support network of specialists who will work hard to keep you on the road through thick or thin. Our aim is to take care of you. Cycling should be carefree and enjoyable; leaving you free to push hard for that next Strava segment, relish a carefree commute to work or just to get away from it all. For a claim under Section 4 Personal Accident Cover; We and/or the Administrator may need to access Your medical records. You agree that You will work with Us and/or the Administrator in providing Us and/or the Administrator with access to Your medical history as may be required for the assessment of Your personal injury claim.

Full instructions will be provided. You must co-operate fully and truthfully with the Administrator and provide any information they may need.

# How Your claim is settled

We understand that in the event of a claim You want to get back on Your Bicycle as quickly as possible, We and the Administrator will work to get You back in the saddle and will keep You informed throughout the process.

## **If We accept Your claim, We will at Our discretion:**

- repair Your Insured Items; or
- replace Your Insured Items; or
- pay You the amount that it would have cost Us to repair or replace Your Insured Items.

## **The maximum value of Your claim settlement will be based on the lesser of:**

- Your Benefit limit; or
- Our Replacement cost.

The above settlement will be paid less applicable excess and in the event of a total loss, any uncollected premium.

## **Claims are settled on the following basis:**

### **For new Bicycles:**

- The cost of repair or replacement on a New-for-Old basis provided the Bicycle was purchased new by You.

### **For second hand Bicycles:**

- The cost of repair or replacement up to the highest value of either an objectively determined Market Value, or
- the Depreciated Value calculated using the recommended retail price of an equivalent replacement Bicycle when purchased new, and applying a scale as follows:
  - After the first year, the Bicycle reduces in value by 20% of the recommended retail price;
  - After the second year, the Bicycle reduces in value by a further 10%;
  - Each year thereafter (or part thereof), the Bicycle reduces by a further 5% per year.

**Accessories and Additional Wheelsets:**

- The cost of replacement taking into account depreciation applied for wear and tear and calculated from the recommended retail price of an equivalent replacement item when purchased new, as follows:
  - Less than three years old; the cost of replacement as new;
  - Between three and five years old, a 30% reduction for wear and tear;
  - Each year thereafter (of part thereof), a further reduction of 10% per year.

We reserve the right to use specialist repairers and suppliers for any repair work carried out and for the supply of new and/or reconditioned parts. If We have settled Your claim, the salvage items become Our property. We will pay the maximum individual or aggregate value of the Insured Items as shown on Your Policy Schedule unless otherwise limited in the policy conditions.

**If Your Bicycle is underinsured and You make a claim:**

It is Your responsibility to ensure the sum insured (Benefit Limited) represents the current replacement cost of Your bike. If Your Bicycle is underinsured, Your claim settlement may be reduced by us to reflect this. You are considered to be underinsured if the Benefit Limit at the time of the loss is less than 80% of the Replacement Cost of the Bicycle or custom part or accessory. Under these circumstances, any amount payable by us will be adjusted to the 'insured percentage' of the Bicycle or custom part or accessory, less any applicable Excess.

Example:

- Bicycle replacement cost = £5,000
- Total Benefit Limit = £3,000
- Insured percentage =  $£3,000 \div £5,000 = 60\%$
