Policy Booklet • 11.2026

Welcome

When it comes to insuring you and your bikes our approach is simple.

At Sundays we strive for excellence in everything we do, and for this reason we distribute our products through specialist channels which employ cyclists as part of their management team and, where possible, use independent bike shops.

We do this to help us understand your requirements and provide you with the best support for the enjoyment of your bike. The result of this is a passionate support network of specialists who will work hard to keep you on the road through thick or thin. Our aim is to take care of you. Cycling should be carefree and enjoyable; leaving you free to push hard for that next Strava segment, relish a carefree commute to work or just to get away from it all. We are here to give you that invaluable peace of mind.

The information you will find within this document lays out the Terms & Conditions of your Policy with us. Please take the time to thoroughly read this and if you have any queries do not hesitate to contact the Administrator on 020 3198 2828.

Hope to see you out on the roads soon.

Locking & Security Requirements

Importance of Correctly Locking Your Bicycle

When locking Your Bicycle, it is crucial to use an Approved Lock and follow the requirements described here, otherwise Your claim might not be accepted:

Secure Locking

It is important that when You lock Your Bicycle, it is locked through the frame and all quick release wheels to an Immovable Object by an Approved Lock. If Non-quick Release Wheels are used on Your Bicycle then these wheels do not have to be locked by an Approved Lock to the frame or an Immovable Object.

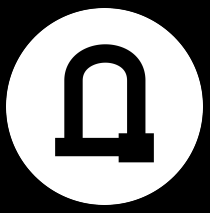

Definition of Approved Lock

An Approved Lock is any Bicycle, motor scooter or motorcycle lock used on Your Bicycle that has been tested and approved by 'Sold Secure' and is the correct rating for the value of Your Bicycle.

Appropriate Rating

The lock's rating should match the value of Your Bicycle as follows:

- ➔ If Your Bicycle is insured for less than £1,500, use a Sold Secure Silver rated lock.
- ➔ If Your Bicycle is insured for £1,500 or more, use a Sold Secure Gold rated lock.

It is important to fully understand the Security Conditions of this policy and to follow them. If you fail to do so it may result in your claim not being accepted.

Correctly Locking Your Bicycle

When leaving Your Bicycle Unattended, it is important that You Securely Lock Your Bicycle through its frame and all quick-release wheels to an Immovable Object by using an Approved Lock.

Correct

The lock securely passes through both the main frame of the Bicycle and the bike stand, including all quick-release wheels.

Incorrect

The Approved D-Lock is attached to the Immovable Object only and not through the main frame, with only the non-approved bike lock securing the Bicycle.

Correct

The locks securely pass through both the main frame of the Bicycle and the bike stand. If the wheels used are **Non-quick Release wheels**, the wheels do not have to be locked by an Approved Lock.

Incorrect

The lock immobilises the front wheel, but it doesn't pass through the main frame of the Bicycle and the bike stand. The main frame of the Bicycle must always be secured to an Immovable Object with an Approved Lock.

Please ensure You keep one of the following available when purchasing a lock or submitting a theft claim to Us:

- ➔ The key and receipt for the purchase of the Approved Lock; or
- ➔ A photograph of the key and lock, provided We and/or the Administrator can identify such as an Approved Lock; or
- ➔ The remains of the Approved Lock when Your Bicycle was stolen.

Accessory cables that come with a Sold Secure rated lock are typically unrated. Only the main lock carries the Sold Secure rating. Therefore, avoid using the accessory cable to secure Your Bicycle. You can check the rating of Your lock at www.soldsecure.com/approved-product-search

Security Conditions

Please be sure you know and follow the Security Conditions in this policy. If you don't, your claim might not be accepted.

1. At Your Home

When You are at Your Home or Your Bicycle is kept at Your Home, You have to follow the security rules in this section. This means the usual storage location of Your Bicycle must be Your Home and You must store Your Bicycle the way it is described here, otherwise Your claim might not be accepted.

If Your Bicycle is kept inside a Privately Accessed Enclosed Structure within the Secured Boundaries of Your Home, all doors and windows must be locked when it is unoccupied or whilst You are asleep. Doors that lead to the outside must be locked by a minimum 5 lever Mortice lock, a uPVC Multipoint door lock, a CEN Grade 3 closed shackle padlock, or a Chubb/ Yale/ Union deadlock. Any electric or 'up and over' garage door must be approved by 'Secured by Design', or have a door defender installed. There cannot be an external override capable of opening the door or shutters either. If Your Privately Accessed Enclosed Structure cannot meet any of the aforementioned locking requirements, You must secure Your Bicycle to an Immovable Object through the frame with an Approved Lock inside the Enclosed Structure.

If Your Bicycle is kept inside a non-Privately Accessed Enclosed Structure within the Secured Boundaries of Your Home, Your Bicycle must be Securely Locked within the unit through its main frame and quick release wheels to an Immovable Object by an Approved Lock. A Bicycle Hanger must be located within a one mile radius of Your Home and the unit must be Securely Locked. If Your Bicycle is an E-Bike and the display unit is removable, You need to remove it if Your Bicycle is Unattended.

If Your Bicycle is kept in Your Privately Accessed garden or another Privately Accessed outside area, it must be within the Secured Boundaries of Your Home and out of sight of the passing public, all accessories must be removed and it must be locked by an Approved Lock to an Immovable Object through the frame and all quick release wheels. If Your Bicycle is an E-Bike and the display unit is removable, You need to remove it if Your Bicycle is Unattended.

2. Away from Your Home

When Your Bicycle is away from Your Home, You have to follow the security rules in this section. This means You must secure Your Bicycle the way it's described here, otherwise Your claim might not be accepted.

If Your Bicycle is left Unattended while away from Your Home (or Temporary Residence falling within the definition of Your Home) it must be Securely Locked through the frame of the Bicycle including all quick release wheels to an Immovable Object by an Approved Lock. If Your Bicycle is an E-Bike and the display unit is removable, You need to remove it if Your Bicycle is Unattended.

Unattended means Your entire Bicycle is out of Your direct line of sight or more than five (5) metres away from You. We will not pay for any claim due to Abandonment, please refer to words with special meaning on pages 5 - 8 for the full definition of Abandonment.

3. Transporting Your Bicycle with Your Vehicle

When you are transporting Your Bicycle in Your vehicle or on a Secure Vehicle Rack, You have to follow the security rules in this section. This means You must store Your Bicycle the way it's described here, otherwise Your claim might not be accepted.

If Your Bicycle is left Unattended while it is in or attached to any motor vehicle, including while it is in transit, it must be:

Locked inside an enclosed boot of a Securely Locked vehicle; or

Locked and secured to a properly fixed Bicycle rack via the lockable security provision of the Bicycle rack and a Thatcham approved Alarm was fitted and active; or

Locked through the frame of the Bicycle and all quick release wheels to a properly fixed Bicycle rack with an Approved Lock; or

Kept inside a Securely Locked vehicle and locked through the frame and all quick release wheels to a secure anchor point by an Approved Lock; or

Kept inside a fully enclosed trailer which is Securely Locked by a closed shackle padlock or by the lockable security provisions of the trailer.

If Your Bicycle is an E-Bike and the display unit is removable, You need to remove it if Your Bicycle is Unattended.

How to claim

In the event of a claim, You must contact the Administrator within 30 days of the happening of a claim event. The Administrator can be contacted by telephone on 020 3198 2828 and via email at hello@sundaysinsurance.co.uk.

Full instructions will be provided. You must co-operate fully and truthfully with the Administrator and provide any information they may need within a reasonable timeframe, as communicated by Your claims handler, in order to finalise Your claim as soon as possible. If not adhered to, Your claim will remain closed until the needed information is submitted to the Administrator.

How your claim is settled

We understand that in the event of a claim You want to get back on Your Bicycle as quickly as possible, We and the Administrator will work to get You back in the saddle and will keep You informed throughout the process.

If We accept Your claim, We will at Our discretion:

- ➔ Replace Your Insured Items; or
- ➔ Pay You the amount that it would have cost Us to replace Your Insured Items.

The maximum value of Your claim settlement will be based on the lesser of:

- ➔ Your Benefit limit; or
- ➔ Our Replacement Cost.

The above settlement will be paid less applicable excess and in the event of a Total Loss, any uncollected premium.

Claims are settled on the following basis:

For new Bicycles:

- ➔ The cost of replacement on a New-for-Old basis provided the Bicycle was purchased new by You.

For second hand Bicycles:

- ➔ The cost of replacement up to the highest value of either an objectively determined Market Value, or
- ➔ The Depreciated Value calculated using the recommended retail price of an equivalent replacement Bicycle when purchased new, and applying a scale as follows:
  - ◆ After the first year, the Bicycle reduces in value by 20% of the recommended retail price;
  - ◆ After the second year, the Bicycle reduces in value by a further 10%;
  - ◆ Each year thereafter (or part thereof), the Bicycle reduces by a further 5% per year.

We reserve the right to use specialist suppliers for the supply of new and/or reconditioned parts. If We have settled Your claim, the salvage items become Our property. We will pay the maximum individual or aggregate value of the Insured Items as shown on Your Policy Schedule unless otherwise limited in the policy conditions.

If Your Bicycle is underinsured and You make a claim:
It is Your responsibility to ensure the Sum Insured (Benefit Limited) represents the current Replacement Cost of Your bike. If Your Bicycle is underinsured, Your claim settlement may be reduced by us to reflect this. You are considered to be underinsured if the Benefit Limit at the time of the loss is less than 80% of the Replacement Cost of the Bicycle or custom part. Under these circumstances, any amount payable by Us will be adjusted to the 'insured percentage' of the Bicycle or custom part, less any applicable Excess.

Example:

- ➔ Bicycle Replacement Cost = £5,000
- ➔ Total Benefit Limit = £3,000
- ➔ Insured percentage = £3,000 ÷ £5,000 = 60%

Cancellation rights

Cancelling Your Policy

You can cancel Your policy at any time by calling or writing to Us.

Cancelling within 14 days

We'll give a full refund if You cancel this policy within 14 days of the start date. We won't be able to do this if We've paid any claims for something that took place in this period.

Cancelling after 14 days

- If You have a monthly policy, You can cancel but You will not get any money back.

- If You have an annual policy, You will receive a refund less a deduction for the time You have been on cover.

Total Loss

If We agree to settle Your claim on a Total Loss basis, We will have met Our responsibilities to You under the policy and therefore, no premium refund will be due where You have paid Your premium annually in advance. Where You have paid Your premium monthly, the premium for the remainder of the full policy period will be due upon cancellation and will be deducted from the claim settlement amount.

If You need to claim after You've cancelled Your policy

If You want to claim for something that took place before You cancelled, You must pay the remainder of Your full years premium before We'll pay Your claim.

We won't pay any claims for something that happens after Your cancellation date.

When We might cancel Your policy

We shall not be bound to accept renewal of any insurance and may at any time cancel any insurance policy by giving 14 days' notice in writing where there is a valid reason for doing so. A cancellation letter will be sent to You at your last known address.

Valid reasons may include but are not limited to:

a) Where We reasonably suspect fraud.
b) Non-payment of premium.
c) Threatening and abusive behaviour.
d) Non-compliance with policy terms and conditions.
e) You have not taken reasonable care to provide complete and accurate answers to the questions We ask.

Where Our investigations provide evidence of fraud or a serious non-disclosure, We may cancel the policy immediately and backdate the cancellation to the date of the fraud or the date when You provided Us with incomplete or inaccurate information, which may result in Your policy being cancelled from the date You originally took it out.
If We cancel the policy and/or any additional covers You will receive a refund of any premiums You have paid for the cancelled cover, less a proportionate deduction for the time We have provided cover, unless the reason for cancellation is fraud and/or We are entitled to keep the premium under the Consumer Insurances (Disclosure and Representations) Act 2012.
