# Welcome

---

When it comes to insuring you and your bikes our approach is simple.

**At Sundays we strive for excellence in everything we do, and for this reason we distribute our products through specialist channels which employ cyclists as part of their management team and, where possible, use independent bike shops.**

We do this to help us understand your requirements and provide you with the best support for the enjoyment of your bike. The result of this is a passionate support network of specialists who will work hard to keep you on the road through thick or thin. Our aim is to take care of you. Cycling should be carefree and enjoyable; leaving you free to push hard for that next Strava segment, relish a carefree commute to work or just to get away from it all. We are here to give you that invaluable peace of mind.

The information you will find within this document lays out the Terms & Conditions of your Policy with us. Please take the time to thoroughly read this and if you have any queries do not hesitate to contact the Administrator on 020 3198 2828.

**Hope to see you out on the roads soon.**

# Locking & Security Requirements

---

## Importance of Correctly Locking Your Bicycle

When locking Your Bicycle, it is crucial to use an Approved Lock and follow the requirements described here, otherwise Your claim might not be accepted:

### Secure Locking

It is important that when You lock Your Bicycle, it is locked through the frame and all quick release wheels to an Immovable Object by an Approved Lock. If Non-quick Release Wheels are used on Your Bicycle then these wheels do not have to be locked by an Approved Lock to the frame or an Immovable Object.

### Definition of Approved Lock

An Approved Lock is any Bicycle-, motor scooter- or motorcycle lock used on Your Bicycle that has been tested and approved by 'Sold Secure' and is the correct rating for the value of Your Bicycle.

### Appropriate Rating

The lock's rating should match the value of Your Bicycle as follows:

- If Your Bicycle is insured for less than £1,500, use a Sold Secure Silver rated lock.
- If Your Bicycle is insured for £1,500 or more, use a Sold Secure Gold rated lock.

It is important to fully understand the Security Conditions of this policy and to follow them. If you fail to do so it may result in your claim not being accepted.

## Correctly Locking Your Bicycle

When leaving Your Bicycle Unattended, it is important that You securely lock Your Bicycle through its frame and all quick release wheels to an Immovable Object by using an Approved Lock.

### Correct

The lock securely passes through both the main frame of the Bicycle and the Bicycle stand, including all quick release wheels.

### Incorrect

The Approved D-Lock is attached to the Immovable Object only and not through the main frame, with only the non-approved Accessory cable securing the Bicycle.

### Correct

The locks securely pass through both the main frame of the Bicycle and the Bicycle stand. If the wheels used are **Non-quick Release wheels**, the wheels do not have to be locked by an Approved Lock.

### Incorrect

The lock immobilises the front wheel, but it doesn't pass through the main frame of the Bicycle and the Bicycle stand. The main frame of the Bicycle must always be secured to an Immovable Object with an Approved Lock.

## Please ensure You keep the following available when purchasing a lock or submitting a theft claim to Us:

- The key and receipt for the purchase of the Approved Lock.
- A photograph of the key and lock, provided We and/or the Administrator can identify such as an Approved Lock.
- The remains of the Approved Lock when Your Bicycle was stolen.

Accessory cables that come with a Sold Secure rated lock are typically unrated. Only the main lock carries the Sold Secure rating. Therefore, avoid using the accessory cable to secure Your Bicycle. You can check the rating of Your lock at [www.soldsecure.com/approved-product-search](http://www.soldsecure.com/approved-product-search)

## Security Conditions

---

Please be sure you know and follow the Security Conditions in this policy. If you don't, your claim might not be accepted. **Refer to words with special meaning on page 28- 32 for the full definition of Your Home.**

## 1. At Your Home

**When** You are at Your Home or Your Bicycle is kept at Your Home, You have to follow the security rules in this section. This means the usual storage location of Your Bicycle must be Your Home and You must store Your Bicycle the way it is described here, otherwise Your claim might not be accepted.

**If** Your Bicycle is kept inside a Privately Accessed Enclosed Structure within the Secured Boundaries of Your Home, all doors and windows must be locked when it is unoccupied or whilst You are asleep. Doors that lead to the outside must be locked by a minimum 5 lever Mortice lock, a uPVC Multipoint door lock, a CEN Grade 3 closed shackle padlock, or a Chubb/ Yale/ Union deadlock. Any electric or 'up and over' garage door must be approved by '[Secured by Design](#)', or have a door defender installed. There cannot be an external override capable of opening the door or shutters either. If Your Privately Accessed Enclosed Structure cannot meet any of the aforementioned locking requirements, You must secure Your Bicycle to an Immovable Object through the frame with an Approved Lock inside the Enclosed Structure.

**If** Your Bicycle is kept inside a non-Privately Accessed Enclosed Structure within the Secured Boundaries of Your Home, Your Bicycle must be Securely Locked within the unit through its main frame and quick release wheels to an Immovable Object by an Approved Lock. A Bicycle Hanger must be located within a one mile radius of Your Home and the unit must be Securely Locked. If Your Bicycle is an E-Bike and the display unit is removable, You need to remove it if Your Bicycle is Unattended.

**If** Your Bicycle is kept in Your Privately Accessed garden or another Privately Accessed outside area, it must be within the Secured Boundaries of Your Home and out of sight of the passing public, all Accessories must be removed and it must be locked by an Approved Lock to an Immovable Object through the frame and all quick release wheels. If Your Bicycle is an E-Bike and the display unit is removable, You need to remove it if Your Bicycle is Unattended.

## 2. Away from Your Home

**When** Your Bicycle is away from Your Home, You have to follow the security rules in this section. This means You must secure Your Bicycle the way it's described here, otherwise Your claim might not be accepted.

**If** Your Bicycle is left Unattended while away from Your Home (or Temporary Residence falling within the definition of Your Home) it must be Securely Locked through the frame of the Bicycle including all quick release wheels to an Immovable Object by an Approved Lock. If Your Bicycle is an E-Bike and the display unit is removable, You need to remove it if Your Bicycle is Unattended.

**Unattended** means Your entire Bicycle is out of Your direct line of sight or more than five (5) metres away from You. We will not pay for any claim due to Abandonment, please refer to words with special meaning on pages 28 - 32 for the full definition of Abandonment.

## 3. Transporting Your Bicycle with Your Vehicle

**When** you are transporting Your Bicycle in Your vehicle or on a Secure Vehicle Rack, You have to follow the security rules in this section. This means You must store Your Bicycle the way it's described here, otherwise Your claim might not be accepted.

**If** Your Bicycle is left Unattended while it is in or attached to any motor vehicle, including while it is in transit, it must be:

**Locked** inside an enclosed boot of a Securely Locked vehicle; or

**Locked** and secured to a properly fixed Bicycle rack via the lockable security provision of the Bicycle rack and a Thatcham approved Alarm was fitted and active; or

**Locked** through the frame of the Bicycle and all quick release wheels to a properly fixed Bicycle rack with an Approved Lock; or

**Kept** inside a Securely Locked vehicle and locked through the frame and all quick release wheels to a secure anchor point by an Approved Lock; or

**Kept** inside a fully enclosed trailer which is Securely Locked by a closed shackle padlock or by the lockable security provisions of the trailer.

**If** Your Bicycle is an E-Bike and the display unit is removable, You need to remove it if Your Bicycle is Unattended.

We and/or the Administrator reserve the right to set the relevant Market Value by reference to experts or the value determinable by a review of similar Bicycles and/or Accessories for sale in the open market.

For a claim under the Personal Accident Cover Section on page 17; We and/or the Administrator may need to access Your medical records. You agree that You will work with Us and/or the Administrator in providing Us and/or the Administrator with access to Your medical history as may be required for the assessment of Your personal injury claim.

Where We honour Your claim, We reserve the right to take possession of the damaged or stolen Bicycle, Components and/or Accessories as relevant (in the event that the bike is recovered within 14 days of the theft).

We will not pay any claim or costs that have not been specifically agreed by Us and/or if You have not provided proof of ownership of the claimed Bicycle.

## How to claim

---

In the event of a claim under either the Bicycle Insurance or Cyclist Insurance policy, You must contact the Administrator within 30 days of the happening of a claim event. The Administrator can be contacted by telephone on 0203 198 2828 and via email at [hello@sundaysinsurance.co.uk](mailto:hello@sundaysinsurance.co.uk).

Full instructions will be provided. You must co-operate fully and truthfully with the Administrator and provide any information they may need within a reasonable timeframe, as communicated by Your claims handler, in order to finalise Your claim as soon as possible. If not adhered to, Your claim will remain closed until the needed information is submitted to the Administrator.

For a claim under Personal Accident Cover, You must allow Us and/or the Administrator access to Your medical records should We require these in order to assess Your claim.

Where We honour Your claim, We reserve the right to take possession of the damaged or stolen Bicycle, Component, Accessories as relevant.

## How your claim is settled

---

We understand that in the event of a claim You want to get back on Your Bicycle as quickly as possible, We and the Administrator will work to get You back in the saddle and will keep You informed throughout the process.

### **If We accept Your claim, We will at Our discretion:**

- Repair Your Insured Items; or
- Replace Your Insured Items; or
- Pay You the amount that it would have cost Us to repair or replace Your Insured Items.

### **The maximum value of Your claim settlement will be based on the lesser of:**

- Your Benefit limit; or
- Our Replacement Cost.

The above settlement will be paid less applicable excess and in the event of a Total Loss, any uncollected premium.

### **Claims are settled on the following basis:**

#### **For new Bicycles:**

- The cost of repair or replacement on a New-for-Old basis provided the Bicycle was purchased new by You.

#### **For second hand Bicycles:**

- The cost of repair or replacement up to the highest value of either an objectively determined

Market Value, or

- The Depreciated Value calculated using the recommended retail price of an equivalent replacement Bicycle when purchased new, and applying a scale as follows:
  - ◆ After the first year, the Bicycle reduces in value by 20% of the recommended retail price;
  - ◆ After the second year, the Bicycle reduces in value by a further 10%;
  - ◆ Each year thereafter (or part thereof), the Bicycle reduces by a further 5% per year.

#### **Accessories and Additional Wheelsets:**

- The cost of replacement taking into account depreciation applied for wear and tear and calculated from the recommended retail price of an equivalent replacement item when purchased new, as follows:
  - ◆ Less than three years old; the cost of replacement as new;
  - ◆ Between three and five years old, a 30% reduction for wear and tear;
  - ◆ Each year thereafter (of part thereof), a further reduction of 10% per year.

We reserve the right to use specialist repairers and suppliers for any repair work carried out and for the supply of new and/or reconditioned parts. If We have settled Your claim, the salvage items become Our property. We will pay the maximum individual or aggregate value of the Insured Items as shown on Your Policy Schedule unless otherwise limited in the policy conditions.

#### **If Your Bicycle is underinsured and You make a claim:**

It is Your responsibility to ensure the Sum Insured (Benefit Limited) represents the current Replacement Cost of Your bike. If Your Bicycle is underinsured, Your claim settlement may be reduced by us to reflect this. You are considered to be underinsured if the Benefit Limit at the time of the loss is less than 80% of the Replacement Cost of the Bicycle or custom part or accessory. Under these circumstances, any amount payable by Us will be adjusted to the 'insured percentage' of the Bicycle or custom part or accessory, less any applicable Excess.

Example:

- Bicycle Replacement Cost = £5,000
- Total Benefit Limit = £3,000
- Insured percentage =  $\text{£3,000} \div \text{£5,000} = 60\%$
